40  
Years of  
Excellence

Dear New York City Educator,

This year, all of us at Teacher Created Materials are celebrating 40 years of creating a world in which children love to learn. From our humble beginnings in a garage in Southern California, we have grown to a leading educational publisher worldwide. Thanks to our partnership with Sharzer Associates, Inc., we can bring high-quality educational products and services to New York City classrooms.

This year's catalog is full of outstanding supplemental curriculum. In addition to our new year-long reading intervention program, *Exploring Reading*, and the second edition of *Mathematics Readers*, we're excited about the *Classroom Grade-Level Collections* we've created specifically for NYC educators.

Our goal from the beginning has been to create lifelong learners. We want students to be motivated and fully engaged in their learning. Forty years ago, we had a vision. And that vision is still at the heart of everything we do today – Create a World in which Children Love to Learn!

Your partner in education,

*Rachelle Cracchiolo*

# Explor-eBook

Teacher Created Materials

Spanish  
Available!

Designed by teachers for teachers and students, *Explor-eBook* inspires a love of reading in ALL students. This instructional tool fosters an engaging learning environment that can be easily implemented into any classroom setting.

Access more than 500 authentic nonfiction and fiction books featuring stimulating, rich, and interactive content.

## Lessons

Reinforce learning with purposeful assignments to increase student engagement.

## Assessments/Reports

Prepare students for today's tests and monitor and track performance.

## Communication Tools

Promote student collaboration with the safe, user-friendly blog feature.

## Flexible instruction

- Intervention programs
- Library Media Center
- Summer School
- After-School/Book Clubs
- Guided Reading
- Whole and Small Group

## Hear what educators are saying:

"Explor-eBook saved planning time. Everything that I needed for my Guided Reading lesson plan was on Explor-eBook."

"The audio support embedded in the platform is a great resource for my ELLs to hear modeled fluent reading and has increased their language acquisition."

"My favorite thing about Explor-eBook is the Fluency Checks because they allow the teacher to have a more consistent record of the students' oral fluency development."

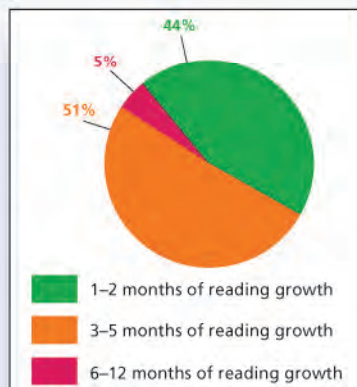

## Get Results!

At the conclusion of a two-month study, students' reading levels grew by an average of 5.8 months. Fifty-one percent (51%) of students showed between 3 and 5 months of reading growth. Five percent (5%) of students showed between 6 and 12 months of reading growth.

## Early Childhood Themes

Support  
your Pre-K  
Programs

### Grades Pre-K–1

Provide the support that our youngest children need to succeed with the curriculum kits on pages 15–21. Each kit is specifically designed to provide engaging, developmentally appropriate learning experiences and a comprehensive curriculum around a theme, incorporating cross-curricular connections that allow the youngest learners to make connections seamlessly from what they are learning to their everyday lives.

### Three types of books are included in each kit!

Original nonfiction and fiction books with easy text, as well as wordless books, are provided in both standard and lap size.

Spanish  
Available!

### Each kit includes:

- ▶ **Books**—3 titles, 6 copies each, 16 pages per book (7" x 9") in print and digital formats
- ▶ **Lap Books**—3 titles, 1 copy each (9.5" x 12")
- ▶ **Teacher's Guide**
- ▶ **Vocabulary Concept Cards**
- ▶ **Digital resources** including songs, recorded text, videos, interactive whiteboard activities, and reproducibles

#### Wordless Photo Book

#### Traditional Song or Rhyme Book

#### Concept Book

Actual type size

touch

touch

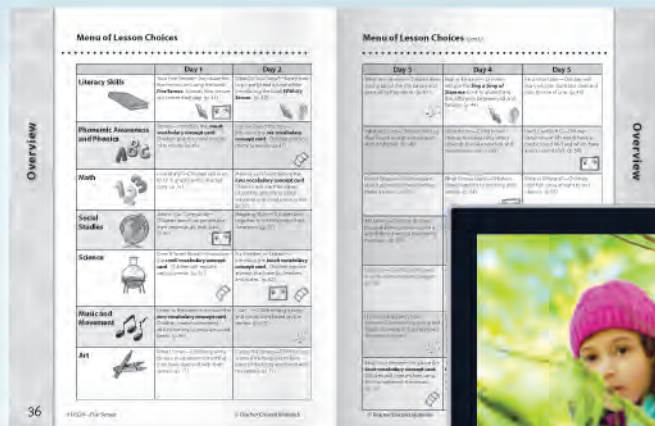

I touch the kitten's soft fur.

Vocabulary Concept Cards build key vocabulary and feature literacy activities on the backs.

Helps students build phonological awareness and early reading skills across key content areas. (Applies to products on pages 14–21.)

Standards  
Based

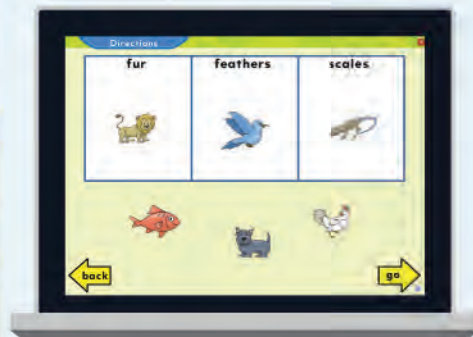

Choose from the Menu of Lesson Choices in the Teacher's Guide for flexible implementation and planning.

Entertaining video clips support vocabulary instruction and development.

Interactive whiteboard activities engage students while introducing them to technology in the classroom.

# Targeted Phonics

Support NYC  
K-2 Literacy  
Initiatives!

"Targeted Phonics does what basal programs seem never able to do—put a little joy and even a hint of a story into decodables.  
Dr. Seuss would be proud of you."

—P. David Pearson, Professor  
University of California, Berkeley

## Grades Pre-K–2

Engage your students and provide opportunities for teaching early reading skills that can facilitate a basic understanding of the core principles of phonics and literacy for young children.

This program:

- Sequentially introduces the sound-symbol relationships of the alphabet to follow best practices of phonics instruction.
- Scaffolds text complexity to support comprehension development.
- Uses engaging real-world contexts to interest today's students.

Interactive-eBook  
available for every title!

## Each kit includes:

- Books**—6 copies of each title with decodable text in print and digital formats
- Student Guided Practice Book** (Single copy included in each kit; additional copies can be ordered.)
- Teacher's Guide**
- Assessment Guide**
- Digital resources** including audio, assessment tools, reproducibles, PDFs of each book, and Interactive-eBooks
- Home-School Connections** including extension activities for teachers and students to build on skills covered in each lesson

# TIME FOR KIDS Nonfiction Readers

2nd Edition

Reading Levels BR–5.9 • Lexile® BR–930L  
GR A–V • Interest Levels K–8

Supplement your reading program or classroom library while meeting your students' needs for high-interest informational text with readers that feature a variety of text structures, academic- and domain-specific vocabulary, and complex text aligned to the content areas.

## Each kit includes:

- **Books**—15 titles, 6 copies each, 12–64 pages per book in print and digital formats
- **Teacher's Guide** with lesson plans for each book
- **Assessment Guide** including a placement test and formative and summative assessments in print and digital formats
- **School-Home Connections**
- **Digital resources**
- **Interactiv-eBooks** with three activities per book (one for word work, one for comprehension, and one for writing).
- **Audio recordings** of books and poems to model fluent reading

## Interactiv-eBooks

Integrate technology into any lesson. Interactiv-eBooks allow students to:

- Listen to entire books to analyze text structure and improve comprehension.
- Hear individual words spoken, improving vocabulary and sight-word recognition.
- Record themselves reading the books to practice fluency.
- Draw evidence from text.
- Complete activities for comprehension assessment.

This program provides high-interest reading opportunities, offering a rich variety of text structures and academic vocabulary aligned to the content areas. (Applies to products on pages 28–45.)

Developed in collaboration with noted reading consultant **Timothy Rasinski, Ph.D., Kent State University**

Our books are leveled using our own leveling system, developed with consultant Timothy Rasinski, Ph.D. We have also partnered with The Lexile® Framework for Reading to establish official Lexile measures for each book. Additionally, each book has been correlated to other widely used leveling systems such as Guided Reading (GR) by Fountas and Pinnell. Many of our books have also been leveled by Accelerated Reader.

**Complete reading level correlations available online at [www.tcpub.com/administrators/reading-levels](http://www.tcpub.com/administrators/reading-levels).**

## Guided Reading Level A • Lexile® NP and BR

Levels include:

- Building oral language
- Engaging images and precise text/image correlation
- Easy-to-read font and consistent word spacing
- 5.25" x 7.75" size • 12 pages per book

See pages 30–31.

Support NYC  
K–2 Literacy  
Initiatives!

## Guided Reading Levels A–I • Lexile® BR–460L

Levels include:

- Picture-text matching
- Use of key high-frequency words and some content-area vocabulary
- Text features such as picture glossaries, table of contents, and bulleted/numbered lists
- 5.25" x 7.75" size • 12–20 pages per book

See pages 32–33.

Support NYC  
K–2 Literacy  
Initiatives!

## Guided Reading Levels I–M • Lexile® 390L–780L

Levels include:

- More challenging content-area vocabulary and high-frequency words
- More complex sentence structures and abstract concepts
- Text features such as sidebars, maps, time lines, and diagrams
- More text-heavy pages
- 5.25" x 7.75" size • 24–28 pages per book

See pages 34–35.

Support NYC  
K–2 Literacy  
Initiatives!

## Guided Reading Levels M–Q • Lexile® 580L–930L

Levels include:

- Text requiring reader inferences
- Chapter format
- Increasingly specialized vocabulary
- Higher-level text features such as a table of contents, a glossary, and an index
- Complex language and sentence structures
- 7" x 9" size • 28–32 pages per book

See pages 36–37.

## Guided Reading Levels Q–S • Lexile® 640L–800L

Levels include:

- Challenging vocabulary
- Introduction of "Dig Deeper" graphic features to support visual literacy
- Text features such as a bibliography, a "More to Explore" section, a glossary, an index, and a table of contents
- Activities to prompt critical thinking
- 5.25" x 8" size • 48 pages per book

See pages 38–39.

**Grades  
6–8 kits  
Available!**  
See pages 42–45  
for details.

## Guided Reading Levels T–V • Lexile® 690L–900L

Levels include:

- Detailed and descriptive text
- Text features such as a bibliography, a "More to Explore" section, a glossary, an index, and a table of contents
- Increased use of diverse illustrations, graphics, and text features
- Text structures to prompt critical thinking
- 5.25" x 8" size • 64 pages per book

See pages 40–41.

Build literacy skills by engaging students with high-interest, appropriately leveled original and adapted fiction. Books feature increasingly complex vocabulary, sentence structures, plots, characters, literary devices, and illustrations to grow reading skills gradually and appropriately.

Spanish Available!

## Each kit includes:

- Books—15 titles, 6 copies each, 12–32 pages per book in print and digital formats
- Teacher's Guide with a lesson plan for each book
- Assessment Guide provides placement tests and formative and summative assessments in print and digital formats
- Digital resources including student reproducibles, supporting reader's theater scripts, and school-home connection resources
- Interactiv-eBooks with two activities per book (one comprehension and one writing)
- Audio recordings of books and supporting reader's theater scripts to build fluency

Interactiv-eBook available for every title!

## Interactiv-eBooks

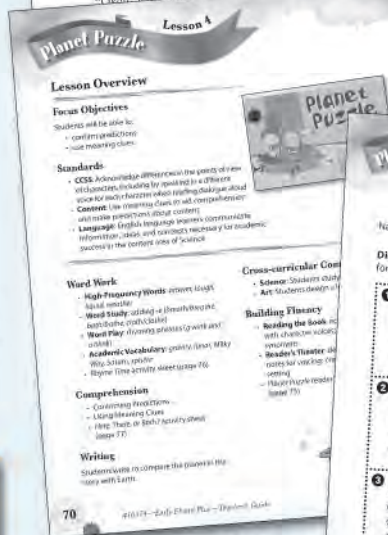

Integrate technology into your reading lessons. Each kit includes Interactiv-eBooks that allow students to:

- Listen to entire books
- Hear individual words spoken
- Record themselves reading the books
- Respond to literature orally
- Practice writing words, sentences, or captions
- Complete additional comprehension activities

Helps students build fluency, master high-frequency words, and engage in a wide variety of reading experiences. (Applies to products on pages 46–53).

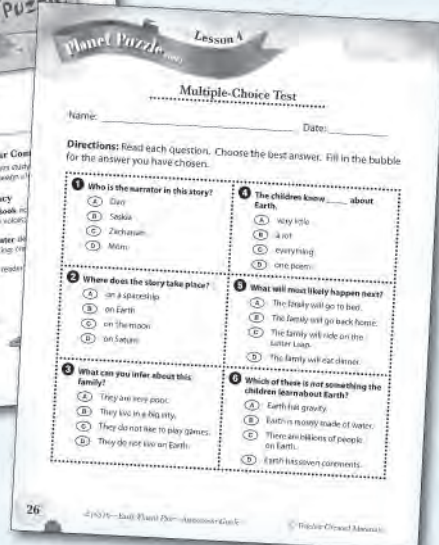

LEVELED READERS: FICTION

Teacher's Guide

## Assessment Guide

Reading Levels 1.0–3.8

Lexile® BR–890L

GR A–Q • Interest Level K–5

Explore essential questions, build literacy skills, and promote intertextual connections with *Purposeful Pairs: Connecting Fiction and Nonfiction*. Guide students in close reading of carefully selected paired informational and literary texts.

Theme: Life Science

Connect to a variety of key content-area themes and standards.

## Nonfiction

A mother bird brings food to her babies.

A mother whale swims with her baby.

I walked past the birds

and then the raccoons.

## Fiction

Provide high-interest, leveled informational and literary texts.

## Each kit includes:

- Full-color books, 5 fiction titles and 5 nonfiction titles, 6 copies of each (60 books total) in print and digital formats
- Teacher's Guide with easy-to-use, research-based lessons that support close reading, intertextual learning, and English language proficiency
- Multiple assessment options to monitor student progress
- Digital resources including Interactiv-eBooks, audio recordings, and supplemental videos and images to support multimodal learning and second language learners

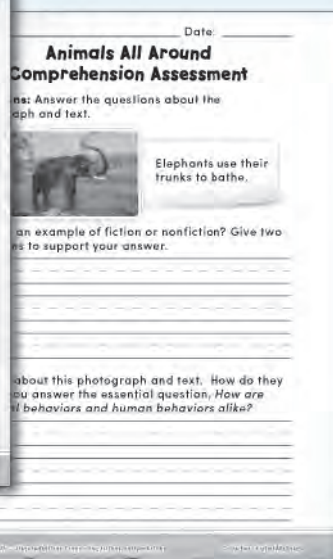

Integrate digital materials seamlessly to support multimodal learning.

This series will enable students to analyze how multiple texts address similar themes or topics in order to build knowledge. (Applies to production pages 54–57.)

Lessons help maximize instructional time by correlating to state reading and English language proficiency standards.

Multiple assessment options are included to monitor student progress.

Each paired 6-Pack includes a Lesson Plan.

# Building Fluency through Reader's Theater

Spanish  
Available!

## Each kit includes:

- ▶ **Scripts**—8 titles, 6 copies each, 16–32 pages per book in print and digital formats
- ▶ **Teacher's Guide** with easy-to-follow lessons
- ▶ Accompanying **poems and songs** in digital format
- ▶ Professionally recorded **audio** of scripts, songs, and poems

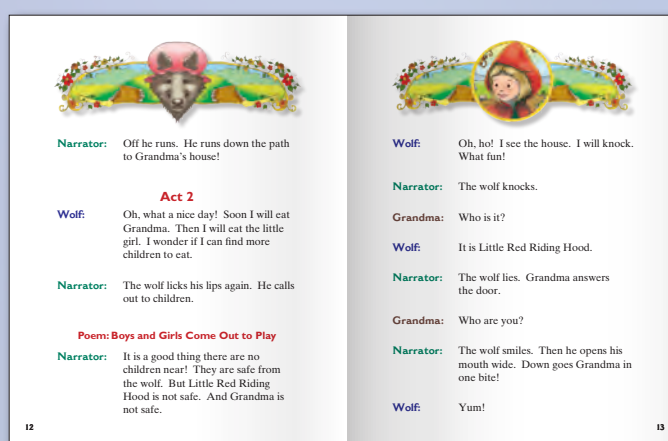

Provides students with opportunities to learn how to adapt their speech, incorporating a variety of tasks for everyday use. (Applies to products on pages 58–62.)

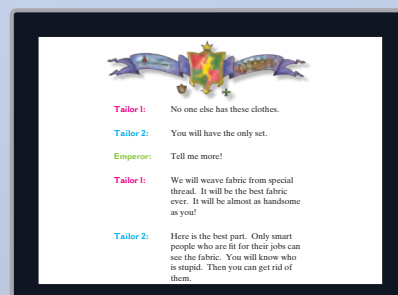

## Reading Levels Pre-K–6 Interest Levels Pre-K–Secondary

- ▶ Gives students a **research-proven method for building fluency** by reading and rereading both content-area and common literature-based texts.
- ▶ **Scripts with differentiated roles** help all students successfully participate in a proven reader's theater model.
- ▶ **Fluency growth** is further supported through choral reading and authentic performances of songs and poems.
- ▶ Includes additional focus on **comprehension strategies, vocabulary development, word study, and key content-area topics.**

Scripts feature roles written at different reading levels to empower all students to successfully participate.

Songs and poems in print and digital formats support the script and encourage full-class participation.

# TIME FOR KIDS Exploring Nonfiction

## A Differentiated Content-Area Reading Program

2<sup>nd</sup> Edition

Grades K–8

*Exploring Nonfiction* supports the progressive development of skills that directly engage students in developing their reading, writing, and critical thinking. It provides students with exposure to a wide range of differentiated nonfiction text, opportunities to use multiple strategies to process text in all content areas, and extensive language-development activities. Differentiated and standards-based lessons teach key nonfiction reading skills and strategies:

- ▶ Monitor Comprehension
- ▶ Activate and Connect
- ▶ Infer Meaning
- ▶ Read Closely
- ▶ Visualize
- ▶ Summarize and Synthesize

### Each kit includes:

- ▶ 80 differentiated high-interest **Text Cards** in all content areas in print and digital formats
- ▶ **Teacher's Guides** with lessons for each content area
- ▶ **Management Book**
- ▶ **Assessment Book** with formative and summative assessments
- ▶ Successful Strategies for Reading in the Content Areas **Professional Book**
- ▶ **Digital resources** including assessments, reproducibles, text cards, and parent resources in English and Spanish

### Multiple Reading Levels Provided

This program provides close reading opportunities for the comprehension of complex informational texts.

Text Cards are leveled one to two grade levels apart. Subtle symbols denote differentiated reading levels on the Text Cards.

# Teaching through Text Sets

**Guided Reading Levels D–Z**  
**Suggested Grade Levels K–12**

Authentic fiction and nonfiction texts in multiple genres and modalities provide a staircase of complexity to help students:

- ▶ Build content knowledge
- ▶ Analyze craft and structure
- ▶ Integrate knowledge and ideas

The Teacher's Guide provides a complete overview of the kit to assist teachers in planning.

## Each kit includes:

- ▶ **Read Aloud Introductory Text** to capture student attention and activate prior knowledge
- ▶ **Anchor Text** that builds content knowledge related to the theme (24 copies)
- ▶ **3 Supporting Texts** to guide students through close readings (6 copies each)
- ▶ **Extension Text** to help extend understanding through performance (6 copies)
- ▶ **Teacher's Guide** with easy-to-use lessons that support reading, writing, and content standards
- ▶ **Digital resources** including an Interactiv-eBook to engage students
- ▶ **Assessments** including a culminating project-based assessment

**Build content knowledge and close reading skills with authentic fiction and nonfiction texts.**

**Introductory Text:**  
 Activate prior knowledge

**Anchor Text:**  
 Build content knowledge

Check out our award-winning *Adaptation* kit.

This product provides opportunities to read diverse and challenging literature and nonfiction in a wide range of subjects.

Meet standards with lessons designed around reading, writing, content, and language objectives.

Interactiv-eBooks help students evaluate content in diverse formats.

#### Supporting Text 1—First Reading: Independent

- Before Reading**
1. Distribute *A Delicious Energy Solution* to students. For the first read, tell students they will read the text while listening to the audio to help them read for meaning. Ask students to think about the following questions as they read:
    - What are the main ideas and key details of the text?
    - What do you think about the text?
    - What words/phrases are unusual?
  2. Play the audio recording. Then, for the second reading, tell students you will show them one way to read for meaning. It is called reading (annotating) the text. As they read, they will "read with a pencil"—writing their thoughts and ideas. Encourage students to note main ideas and details, powerful words or phrases, and words or phrases that are unusual. Students may write words and phrases, or they may use a code such as *m* for main idea or *f* for confusing.
  3. You may choose to have students annotate the PDF of the text (*delicious.pdf*). Annotating directly on the text (printed or digital) will also achieve comprehension on *below-level learners and English language learners*.
  3. Model how to cope the text by writing on sticky notes and placing them on a page of text or by demonstrating the annotation software on a digital device.
- During Reading**
1. Distribute sticky notes to students.
  2. Tell students that they will work independently begin studying the text.
- After Reading**
1. Distribute copies of the *Print Impressions* activity sheet (page 21) for students.
  2. Have students (independently) complete this activity sheet. Remind students to use their *Print Impressions* as a reference.
  3. As a class, discuss student responses.

#### Action Plan

Directions: Write an action plan that answers the Essential Question. Choose one environmental issue to address with scientifically supported solutions. Use the chart below the text set, and your previous activity sheets to help you create your plan.

#### Essential Question

In what ways can science be used to protect Earth's resources and systems?

#### Goal:

#### Action Steps:

#### Essential Question

In what ways can science be used to protect Earth's resources and systems?

#### Plan to Communicate Results:

Students will answer the Essential Question in each unit with a project-based Culminating Unit Assessment.

Samples shown are from *Sustainability*. A wide variety of themed kits are available.

# Building VOCABULARY

## Foundations & Word Roots

By Timothy Rasinski, Nancy Padak, Rick M. Newton, and Evangeline Newton

Levels 1–11

*Building Vocabulary* helps students expand their repertoire of words utilizing an explicit, systematic approach to learning vocabulary that can be implemented in as little as 15 minutes a day!

- ▶ **Rigorous vocabulary instruction** empowers students to learn words and strategies for deciphering new words and their meanings.
- ▶ *Building Vocabulary: Foundations* for grades 1 and 2 empowers early readers to learn words by identifying word families, simple roots and word endings, and engaging in word play.
- ▶ In *Building Vocabulary from Word Roots* for grades 3–11, students actively engage with an increasing bank of key roots—Greek and Latin prefixes, bases, and suffixes—and learn strategies to unblock academic vocabulary while interacting with a whole range of words.

### Each kit includes:

- ▶ **Teacher's Guide**
- ▶ **Student Guided Practice Book** (Each kit includes a single copy; additional copies may be ordered.)
- ▶ **Assessments** to support data-driven instruction
- ▶ **Digital resources** including modeled lessons, 50 bonus activities, and Student Guided Practice Book

Full-color Student Guided Practice Book with activities reinforces and extends knowledge.

"I attribute our success with the new standards to our preparation with Greek and Latin word parts! Each grade level on the state test had questions regarding word parts (roots and affixes). Every school in our district met the reading Annual Measurable Objectives (VERY hard to do)."

This program supports instruction of grade-level appropriate Greek and Latin roots as clues to deciphering the meanings of words.

Teacher's Guide includes tips for differentiating instruction and working with English language learners.

## Mean Change in Percentage Points on the *Building Vocabulary* Pre-test and Post-test\*

# Write TIME FOR KIDS

## Grades K–8

Help students master and enjoy writing with this NEW, engaging writing series!

- ▶ Share explicit instruction for each stage of the writing process
- ▶ Model and guide students toward effective independent writing
- ▶ Capture students' attention with the **Mentor Text Cards**, which are filled with high-interest content and appealing photos and illustrations
- ▶ Provide a **sequential and practical** way to teach critical writing skills
- ▶ Guide writing instruction with **student exemplars**
- ▶ Integrate content-area instruction
- ▶ Prepare students for today's writing assessments

## This series includes:

- ▶ **32 Mentor Text Cards** with content from TIME For Kids® and TIME®
- ▶ **Best Practices Guide**
- ▶ **25 full-color Student Handbooks** (25 per kit; see page 69 to order additional copies)
- ▶ **4 Teacher's Guides**
  - ✓ Opinion/Argument
  - ✓ Informative/Explanatory
  - ✓ Narrative Nonfiction
  - ✓ Narrative Fiction
- ▶ **Technology Platform**
- ▶ Plus additional digital resources for teachers and students!

Each level includes 4 Teacher's Guides, one for each genre of writing.

## Each kit includes Mentor Text Cards from four genres of writing.

### Opinion/Argument

### Informative/Explanatory

Students will write from sources using a variety of text types and purposes.

# Technology Platform

Audio

Annotation Tools

Use audio of Mentor Text Cards to build fluency.

Facilitate close reading and connect reading to writing with a range of annotation tools.

Graphic Organizers

Writing Tasks

Support all learners with the Differentiated Graphic Organizers.

Prepare students for today's testing environments with the standards-based writing tasks.

# Intervention

## Focused Intervention See pages 78–83.

- ▶ Perfect for summer school, after school, or other short-term instructional interventions
- ▶ Uses diagnostic, formative, and summative assessments to inform instruction and demonstrate results
- ▶ Includes engaging games for concept reinforcement
- ▶ Provides differentiated instruction and language support

## English as a New Language See pages 84–85.

- ▶ Provides rigorous instruction in listening, speaking, reading, and writing
- ▶ Available in multiple proficiency levels for ultimate flexibility
- ▶ Contains text sets in a range of reading levels and text types
- ▶ Includes a Student Guided Practice Book to support all students

## Family Engagement See pages 86–89.

- ▶ Provides simple reinforcement at home for what the teacher is doing in class
- ▶ Prepares students for the upcoming school year
- ▶ Supports parents with easy-to-follow tips on how to help their child succeed

INTERVENTION

## Grades 2–5

Guide all students to become strong, independent, excited readers!

*Exploring Reading* is a strategic year-long intervention program that supports a range of reading experiences and helps students:

- ▶ Master essential reading strategies.
- ▶ Integrate strategies to successfully comprehend complex fiction and nonfiction text.
- ▶ Apply strategies across a wide range of text types and lengths.
- ▶ Make abstract connections across content areas and genres.

Number of Students Who Scored "Passing"\*  
Grades on *Exploring Reading* Unit 7

Research pilot study of *Exploring Reading* available online at [www.tcmpub.com/research](http://www.tcmpub.com/research).

## Each kit includes:

- ▶ **Nonfiction Leveled Readers**—8 titles, 6 copies each, 28–48 pages per book in print and digital formats. (See all titles on pages 72–77.)
- ▶ **24 Text Cards**—6 copies each in print and digital formats
- ▶ **Literature selections**—2 titles, 6 copies each, plus 1 Literature Guide per title
- ▶ **Digital resources** including Interactiv-eBooks and interactive Text Cards that support whole-group and independent work
- ▶ **Best Practices Guide** with professional development support from industry experts
- ▶ **Full-Color Student Guided Practice Books**—6 copies each featuring consumable texts, vocabulary practice, and writing prompts
- ▶ **Teacher's Guide** including pacing options, lesson plans, and differentiation options
- ▶ **Assessment Guide** with a diagnostic test, summative test, and pre-/post-unit tests
- ▶ **8 Comprehension Strategy Posters**

Students will read and comprehend literature and informational text in a wide variety of text types.

## Variety of High-Interest Texts

Text Cards feature content from TIME For Kids® and provide short, rich passages across content areas and genres with high-interest topics.

Nonfiction leveled readers with content from TIME For Kids® provide exciting, multi-page texts to introduce the big idea and the comprehension strategy.

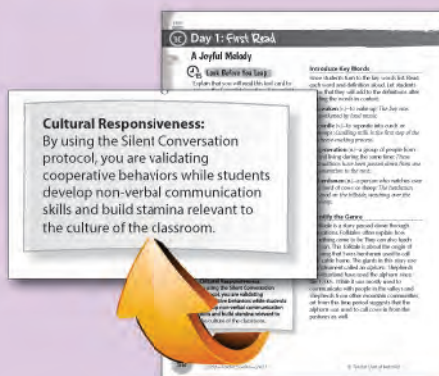

Literature guides and accompanying books allow students to build stamina and to read more complex literature.

## Lessons

## Comprehension Posters

Each unit covers one key reading comprehension strategy organized around a big idea that is explored across multiple texts.

Instruction options are included to support culturally and linguistically diverse students and English learners.

Colorful comprehension posters reinforce the reading strategies.

## Student Guided Practice

Students practice reading comprehension strategies and foundational skills with a variety of activities.

## Purposeful Technology

Interactive eBooks include audio support, videos, vocabulary pop-ups, annotation samples, and activities.

Students can annotate and hear the text with interactive Text Cards.

## Assessments

## Best Practices

"I observed my students transferring the skills and strategies from the program into other texts."

# Focused Reading Intervention

## Levels K–8

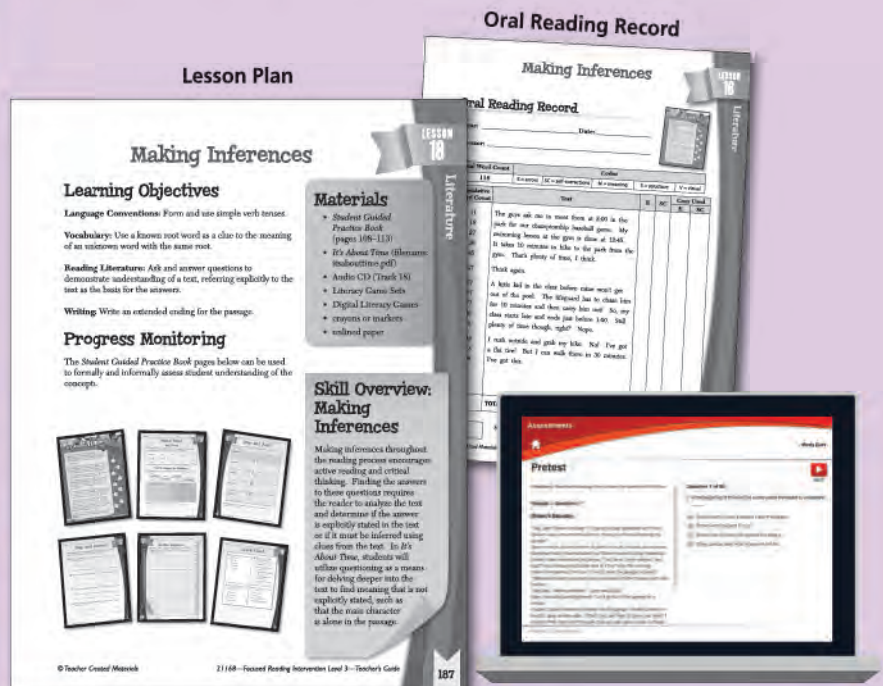

*Focused Reading Intervention* bridges the gap between struggling and proficient readers through targeted instruction of key literacy skills and strategies.

- ▶ Teach literacy skills with lessons that focus on foundational and key reading skills.
- ▶ Reinforce reading comprehension skills needed for literature and informational texts, text evidence, complex texts, fluency, academic vocabulary, and writing.
- ▶ Lessons include differentiation tips and language support for English as a New Language (ENL) learners and can be adapted to all RTI levels.

## Each kit includes:

- ▶ **Teacher's Guide** with 30 standards-based lessons
- ▶ 15 full-color **Student Guided Practice Books** (Additional copies can be ordered. See page 79.)
- ▶ 6 interactive, standards-based **Literacy Games** in print and digital formats
- ▶ **Assessment Guide** with formative and summative assessments and progress-monitoring opportunities for each lesson
- ▶ **Digital resources** including student reproducibles and electronic assessment options

Digital assessments and reporting tools track progress and help students and teachers adapt to new electronic testing formats.

INTERVENTION: FOCUSED

Digital literacy games engage students, allowing them to reinforce key concepts and skills while having fun.

Students will read and comprehend literature and informational text in a wide variety of text types.

Literacy games in print and digital formats support collaborative learning and provide purposeful, repeated practice.

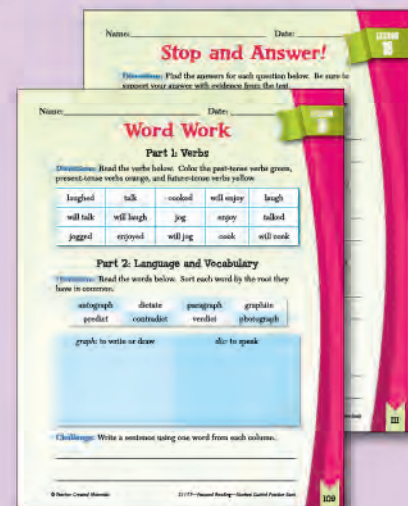

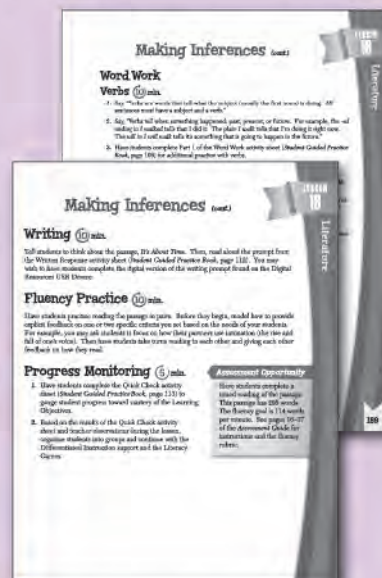

**Target ENL,  
Special  
Education, and  
Level I and II  
Students**

Research pilot study of *Focused Reading Intervention* available online at [www.tcnpub.com/research](http://www.tcnpub.com/research).

## Lesson Plans and Student Guided Practice Books

Lessons focus on strategies for strengthening student comprehension of literature and informational text. Teachers may use these strategies before, during, and/or after reading. Teachers choose which lessons make sense for the needs of their students.

Students will read and reread increasingly complex texts to practice fluency. Professional audio recordings of each text are also provided and can be used for prereading, reinforcement, or independent practice.

Students use text evidence to recall key details for the writing activities.

Lessons focus on foundational and key reading skills, along with academic vocabulary, to help readers become more proficient and build conceptual understanding of words.

# Focused Mathematics Intervention

## Levels K–8

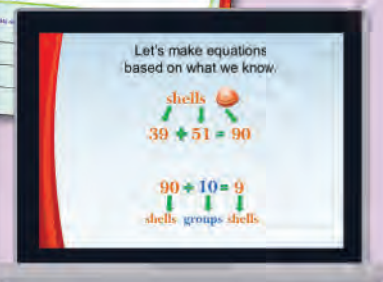

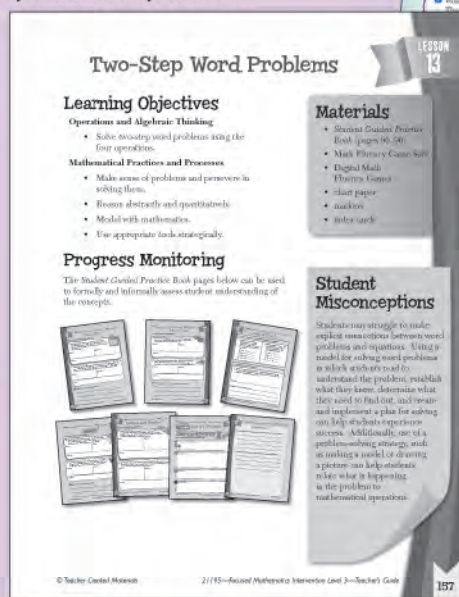

Reinforce key mathematical concepts and build mathematical fluency with this engaging, standards-based, easy-to-use intervention program.

- ▶ Build conceptual understanding and procedural knowledge for struggling mathematics learners.
- ▶ Use diagnostic assessments, concept tasks, and performance tasks that mirror state and national assessments to measure student progress.
- ▶ Improve real-world problem-solving skills promoting college and career readiness with **Math in the Real World** concept tasks.
- ▶ Differentiate instruction through Refocus Mini Lessons that include independent practice and activities.
- ▶ Engage students and guide them toward independent skill application with interactive math fluency games.

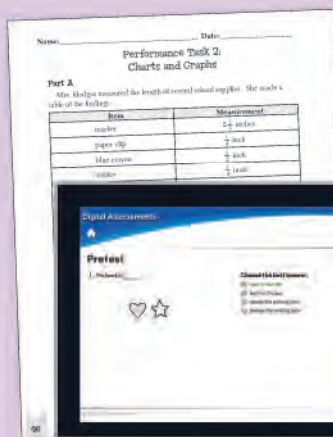

## Each kit includes:

- ▶ **Teacher's Guide** with 30 standards-driven intervention lessons
- ▶ 15 full-color **Student Guided Practice Books** (Additional copies can be ordered. See page 81.)
- ▶ 6 interactive **Math Fluency Games** in print and digital formats
- ▶ **Assessment Guide** with formative and summative assessments and progress-monitoring opportunities for each lesson
- ▶ **Digital resources** including electronic assessment options, student reproducibles, and 30 digital Refocus lessons

Lessons feature key mathematical practices and processes.

Refocus Mini Lessons in print and digital formats provide additional support and differentiation.

Use data to drive instruction with diagnostic assessments, concept tasks, and performance tasks.

Builds mathematical fluency and improves problem-solving skills, promoting college and career readiness.

Engaging math games include everything needed to play.

Fun-to-play digital games reinforce key math fluency skills.

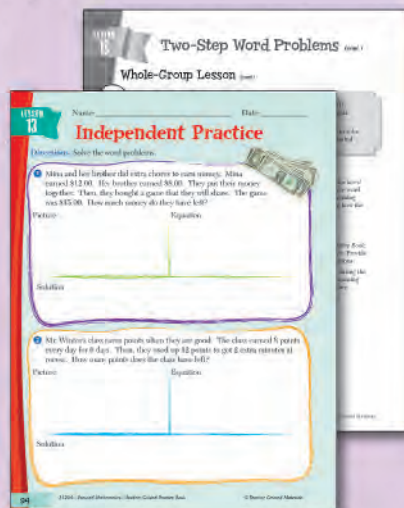

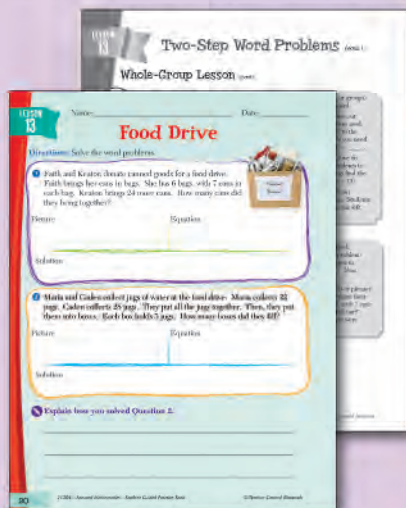

Research pilot study of *Focused Mathematics Intervention* available online at [www.tcmpub.com/research](http://www.tcmpub.com/research).

## Lesson Plans and Student Guided Practice Books

Students will learn how to be active math learners through explicit instruction of mathematical strategies. Each lesson focuses on key mathematical concepts and procedures from guided practice to independent application.

Teachers can prompt students with Think Alouds, establishing investigative questions and modeling mathematical examples and tasks.

Students progress through the problem-solving process, asking questions, thinking aloud, and clarifying their understanding in writing.

The Student Guided Practice Book includes a Quick Check and Math in the Real World concept task for ongoing progress monitoring.

\*Complete kit includes 15 Student Guided Practice Books; additional copies can be ordered.

# Focused Reading Booster Packs

## Levels K-8

*Focused Reading Booster Packs* are the perfect companions to *Focused Reading Intervention* and extend independent reading practice with engaging books and student-friendly activities.

- ▶ The flexible instructional format can be used with independent work centers, small groups, or whole-class instruction.
- ▶ Accompanying activities provide hours of reading and responding practice per book.
- ▶ Activities integrate reading, writing, listening, speaking, and art.

## Each Booster Pack includes:

- ▶ **Books** – 6 titles, 6 copies each, in print and digital format
- ▶ **Overview Cards** for teachers – one copy per title
- ▶ **Booster Cards** for students – 6 copies per title in print and digital format
- ▶ **Management Guide**
- ▶ **Digital resources** including professional audio of the books to model fluency

High-interest fiction and nonfiction texts engage students and feature a variety of text structures.

Booster Cards for students offer a variety of activities that integrate reading, writing, listening, speaking, and art

Overview Cards provide at-a-glance summaries, lesson objectives, vocabulary, and cross-content connections.

The Management Guide provides suggestions for differentiating instruction, ways to integrate the arts, instructional best practices, and more.

## Focused Reading Booster Packs

# Focused Mathematics Booster Packs

## Levels K–8

*Focused Mathematics Booster Packs* are the perfect companions to *Focused Mathematics Intervention*, providing quick and easy activities that promote real-world connections, mathematical discourse, problem solving, and mathematical reasoning.

- ▶ The flexible instructional format can be used with independent workstations, small groups, or whole-class instruction.
- ▶ Accompanying activities provide hours of mathematical practice per book.
- ▶ Activities engage students in real-world mathematics and require students to demonstrate mathematical practices and processes.

Engaging fiction and nonfiction texts promote problem solving and develop content-area literacy.

## Each Booster Pack includes:

- ▶ **Books** – 6 titles, 6 copies each, in print and digital format
- ▶ **Overview Cards** for teachers – one copy per title
- ▶ **Booster Cards** for students – 6 copies per title in print and digital format
- ▶ **Management Guide**
- ▶ **Digital resources** including professional audio of the books to model fluency

Booster Cards for students offer a variety of activities that promote real-world connections.

Overview Cards provide at-a-glance summaries, lesson objectives, vocabulary, and cross-content connections.

The Management Guide provides suggestions for differentiating instruction, instructional best practices, and more.

# Building Language Proficiency

Grades K-8

Empower English as a New Language (ENL) learners to build English-language proficiency with this highly differentiated and rich instructional resource. Each kit provides rigorous instruction in the four language domains.

## Each kit includes:

- ▶ 30-piece themed and leveled Text Set featuring a variety of genres, subjects, and high-interest topics in print and digital formats
- ▶ Student Guided Practice Book (Each kit includes 10 copies; additional copies can be ordered)
- ▶ Teacher's Guide
- ▶ Audio recordings of texts
- ▶ Parent Tip Cards in English and Spanish
- ▶ Digital resources including all text set ISBNs, audio of texts, Student Guided Practice Book pages, and assessment resources

Parent Tip Cards (written in English and Spanish) empower families to support language development.

## KIT FEATURES

- ▶ High-interest texts
- ▶ Strong **visual support** and text-to-picture match
- ▶ Simple **vocabulary** and language structures for student practice
- ▶ Wider variety of text organization and more **complex language structures**
- ▶ Content-related vocabulary to **encourage discussion**
- ▶ Use of **expanded vocabulary** and **descriptive words**
- ▶ **Text complexity** to build high-level vocabulary and language skills
- ▶ Supports **advanced listening and speaking skills**
- ▶ Strong models for developing **grade-appropriate writing skills**

Language Proficiency Levels

Level A  
Beginner

Level B  
Intermediate

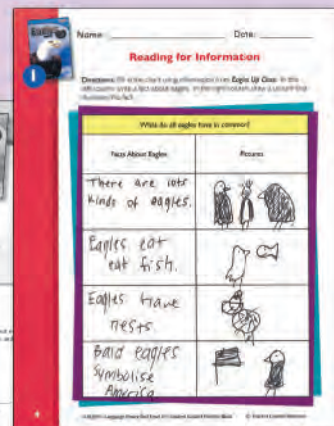

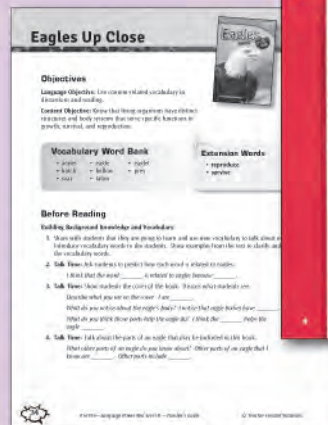

Level C  
Advanced

INTERVENTION: ENGLISH AS A NEW LANGUAGE

Students will acquire and use a wide range of vocabulary and language structures for reading, writing, listening, and speaking.

Lessons and Student Guided Practice Book pages help students develop listening, speaking, reading, and writing skills.

## Language Power Student Language Proficiency Gains

After one year of implementation, test results showed that students who participated in the *Language Power* program made significant gains in language proficiency levels. To view the entire research study, visit us online at [www.tcmpub.com/research](http://www.tcmpub.com/research).

# Take-Home Backpacks

## Content-Area Take-Home Backpacks

Grades K–8

Prevent summer learning loss and prepare students for the year ahead! These content-area backpacks, created specifically for New York City, offer students an ideal reading resource for the summer and give parents and caregivers the confidence to provide the necessary academic support their children need at home. Each backpack is filled with engaging nonfiction and/or fiction texts, as well as challenging reading, writing, mathematics, and science activities to get students ready for the upcoming year.

Each Take-Home Backpack includes one or more of the following:

- **Kids Learn!** book featuring reading, writing, and mathematics activities (Grades K–8)
- **High-interest fiction and nonfiction books**
- **Parent Guide for Your Child's Success** to help prepare parents and students for the upcoming school year (Grades K–8)

# Building School and Home Connections

Perfect for fulfilling the parental involvement requirement of Title I and other funding sources

## Parent Coordinator Kit

Strengthen the connection between school and home!

Each kit operates as a blueprint for increasing parental involvement and student achievement through activities at school, in the classroom, and at home.

### Teacher's Guide

Creates a common language for the school, teachers, and parents, and provides materials for simple yet effective family-night activities centered around a content area.

### Parent Guide

Includes ideas for turning everyday actions into learning opportunities to practice important life skills.

## Each kit includes:

- ▶ **Teacher's Guides**; (3 copies included; additional copies can be ordered)
- ▶ **Parent Guides** (single copy each in English and Spanish; additional copies can be ordered for every parent)
- ▶ **Management Book**
- ▶ **Digital resources** for the teacher and the parent, including motivational videos and reproducibles

### Management Book

Helps schools develop consistent, sustainable school-wide family-involvement activities and strategies.

### Family Involvement Videos for Teachers and Parents

Includes inspirational video clips of the always fun and informative Danny Brassell, Ph.D., an expert in increasing student achievement through parental involvement.

# Kids Learn!

Grades Pre-K–8

## Prevent away-from-school learning loss!

*Kids Learn!* is a family-involvement resource designed to bridge the away-from-school gap in instruction\* with standards-based activities in reading, writing, and mathematics.

- ▶ The full-color activities both **reinforce information learned** during the recently completed school year and **prepare students** for the upcoming grade level.
- ▶ Suggestions offer **quick and fun family activities** that will provide a rich knowledge base for students to draw upon in the coming school year.
- ▶ The second language support version has parent/caregiver instructions provided in both English and Spanish.

Includes  
standardized test  
preparation in  
Grades 3–8

### Language Arts Activity

**Week 3**

### Solar System

**Directions:** Read the text. Then, answer the questions.

A solar system has many parts. The sun is at the center. Around the sun are planets or other bodies. They all revolve around the sun. Think about our solar system. What do you know about it? It has a sun. It has eight planets. But that is not all. There are moons. There are comets and asteroids, too.

Here are some facts about our solar system:

- Neptune is a planet. It is the farthest from the sun.
- Jupiter is the biggest planet.
- Mercury is a planet. It is the closest to the sun.
- Saturn is known for its rings.
- Mars is known as the "red planet."

1. Which are not a part of our solar system?

☐ A moons  
☐ B comets  
☐ C rockets  
☐ D planets

2. Which is the largest planet in our solar system?

36 #1772—Kids Learn! Getting Ready for 1st Grade © Sharzer Creative Media

### Writing Activity

**Week 3**

### Ready to Research

**Directions:** Choose a topic that you would like to learn more about, such as an animal, a planet, or a different country. Have your parent help you research the topic using the Internet, encyclopedias, or nonfiction books. Then, write a paragraph that includes new facts you learned.

46 #1773—Kids Learn! Getting Ready for 1st Grade © Sharzer Creative Media

### Mathematics Activity

**Week 3**

### Grouping for Multiplication

**Directions:** Circle the objects in each box to show equal groups. Then, complete the multiplication equation.

**Example:** 4 groups of 4  
 $4 \times 4 = 16$

**1.** 6 groups of 2  
  
 $6 \times 2 = \square$

**2.** 3 groups of 6  
  
 $3 \times 6 = \square$

**3.** 5 groups of 4  
  
 $5 \times 4 = \square$

**4.** 9 groups of 7  
  
 $9 \times 7 = \square$

# MATHEMATICS READERS

Reading Levels 0.2–6.9 • Lexile® BR–970L • Guided Reading Levels A–V

Efficiently integrate mathematical concepts into reading instruction with engaging *Mathematics Readers* that combine problem solving and real-world connections to help students explore mathematical practices in meaningful ways. The leveled books and purposeful instruction promote mathematical discourse and support multiple learning styles.

Teacher Created Materials  
**MATHEMATICS READERS**

Spanish Available!

NEW EDITION!

## Problem Solving

Ty and his friends love to ride bikes. One day they were ready for the grueling Le Tour de France. As they have started, their objective is to ride the Le Tour de France. They have just the start. Their course is 1 km long through the park with markers along the way. Just like the Le Tour de France, Ty and his friends will want to be the winner! Use the clues to plot Ty and his friends at their current points in the race on the number line. Then, answer the questions.

Who is closer to the 1 marker on the course: Dora or Joe?  
Who is closer to the 1 marker on the finish line?  
Who is further?

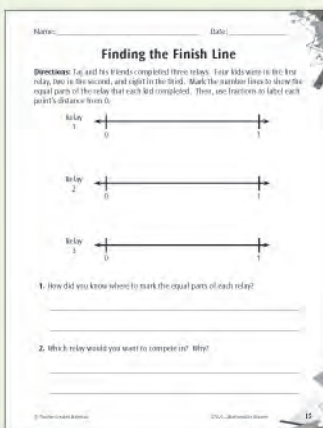

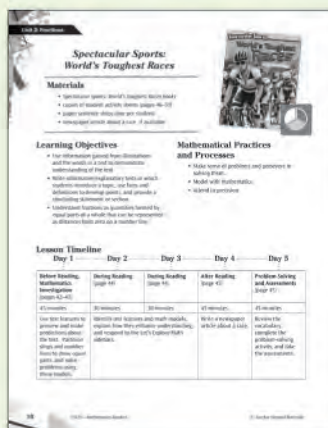

- Clues**
- Ty is at the  $\frac{1}{4}$  marker.
  - Dora is  $\frac{1}{8}$  of the way from the finish line.
  - Joe is at the  $\frac{1}{2}$  marker.
  - Chris is  $\frac{3}{4}$  of the way to the finish line.
  - Sam is  $\frac{1}{4}$  of the way to the finish line.
  - Sam is  $\frac{1}{4}$  of the way from the finish line.

High-interest books promote focus, coherence, and rigor.

## Each kit includes:

- Books—16–20 titles, 6 copies each, 32 pages per book in print and digital formats
- Teacher's Guide with research- and standards-based lessons that address mathematics, reading, and writing
- Assessments and a culminating problem-based activity
- Professional audio recordings of the books to improve fluency and support English learners (2nd edition only)
- Interactiv-eBooks to engage students and extend the literacy experience with digital writing and comprehension activities (2nd edition only)

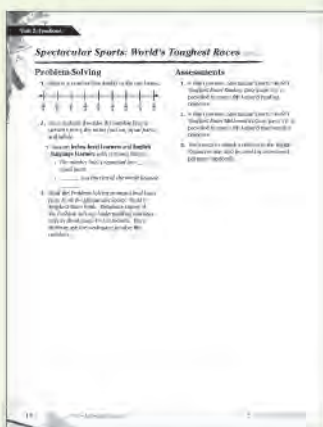

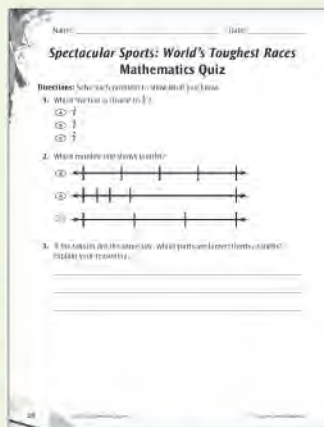

Make content meaningful with reading and writing activities woven throughout the lesson.

Promote problem solving and mathematical reasoning with rich tasks and real-world connections.

Use digital resources to develop close reading and higher-order thinking skills.

Mathematics Readers move students from a concrete to a representational, and ultimately, an abstract understanding of topics.

Guide and inform instruction with a variety of assessments.

9781433335464

**Wild Animals**  
Level 0.4  
9781433335471

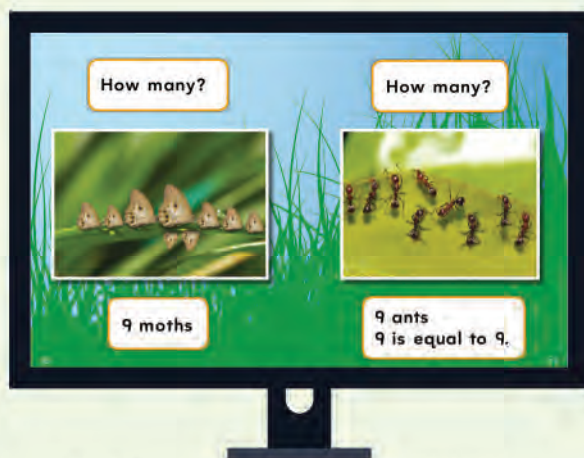

Wild animals can be big or small.

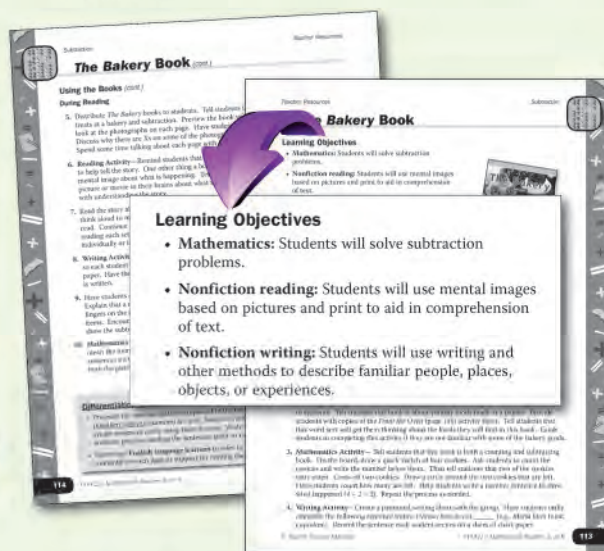

big

small

## Data Analysis and Probability

Engaging images support reading comprehension.

### Learning Objectives

- **Mathematics:** Students will solve subtraction problems.
- **Nonfiction reading:** Students will use mental images based on pictures and print to aid in comprehension of text.
- **Nonfiction writing:** Students will use writing and other methods to describe familiar people, places, objects, or experiences.

Lessons include reading, writing, and mathematics activities.

9781425858476

**Travel Adventures:**  
**Easter Island**  
9781425858483

Colorful images keep students engaged and offer purposeful close-reading opportunities.

**Let's Explore Math**

Learn to play a video game form of Quidditch. Set a starting position in the 10 capture the witch. The position of each set piece on the coordinate grid.

1. When captured for reasons, the location of the witch? What coordinate pair represents the location of the witch?
2. For this video game, Quidditch only capture the witch by the location of the witch. Write a set of coordinates that Quidditch could use to capture the witch's location.

The last piece of gear used in Quidditch is the witch. It is by far the most important in the game. One reason is because the game can only end when the witch is caught. Another reason is that the witch who catches the witch scores 50 points. Since it is worth so many points, catching the witch can be the difference between victory and defeat for a team.

Just like there are no flying broomsticks in the real-life game of Quidditch, there are no flying witches. For this version of the game, the witch is a small ball in a sack that has been attached to a specially designed player's foot. That player is called the witch catcher.

Quidditch catches do not play for other teams. It is their job to avoid being captured for as long as possible. They can run, dodge, dip, and dive to avoid capture. Once a team's witch catches the witch from the witch catcher's foot, the game is over.

**Spectacular Sports: Quidditch**

**Mathematics Vocabulary**

**Mathematical Practices and Processes**

- make sense of problems and persevere in solving them
- reason with numbers
- use appropriate tools strategically
- attend to precision

**Lesson Timeline**

Day 1	Day 2	Day 3	Day 4	Day 5
<b>Before Reading, Mathematics Investigation</b> (pages 238-239)	<b>During Reading</b> (page 240)	<b>During Reading</b> (page 240)	<b>After Reading</b> (page 241)	<b>Problem-Solving and Assessments</b> (page 241)
45 minutes	30 minutes	30 minutes	45 minutes	45 minutes
Skim the text to identify connections between real and fantasy Quidditch. Use coordinate planes to solve problems.	Compare and contrast Quidditch with its fantasy counterpart. Describe a similarity and difference between the x-axis and y-axis. Respond to the Let's Explore Math sidebar.		Write comic strips about Quidditch and coordinate planes to entertain a reader.	Review the vocabulary, complete the problem-solving activity and take the assessments.

Interactiv-eBooks develop content-area literacy and higher-order thinking skills.

Lesson plans provide suggested timelines and an overview of instruction.

# PRIMARY SOURCE READERS

## Grades K–8

Reading Levels 0.0–5.9

Lexile® BR–870L

Interest Levels 1–12

Integrate social studies subject matter into English language arts instruction with these content-rich readers.

Choose from kits that are focused on Grade Levels or Key Social Studies topics.

### Kits include:

- Books — 6–18 titles; 6 copies each in print and digital formats. (Books range from 24–32 pages)
- Digital resources including Interactiv-eBooks (see this page for titles), primary sources, and audio recordings of each book to support English language learners.
- Teacher's Guide with lessons and assessments.

### Leveled Readers

Help build inquiry skills and reading comprehension with books that present key historical information in accessible and interesting formats.

### Lessons

Each book has an accompanying teacher-designed lesson, which addresses reading, writing, and social studies objectives.

### Assessments

Multiple assessment types help teachers drive instruction and develop students' document-based assessment skills.

### Digital Resources

Ebooks with a variety of interactivity and digital primary sources deeply explore key topics in fun and interactive ways and guide students toward independent reading.

### Address the Four Strands of Social Studies

Civics

Economics

Geography

History

# Leveled TEXTS

for Differentiated  
Content-Area Literacy

Grades 4–8 • Reading Levels 1.5–7.2

Differentiate content, process, and product to promote content-area literacy.

*Leveled Texts for Differentiated Content-Area Literacy* provides leveled informational texts featuring key historical themes and topics embedded within targeted literacy instruction.

Subtle symbols on the Leveled Text Cards denote differentiated reading levels. Cards are leveled one to two grade levels apart.

## Each kit includes:

- ▶ **Leveled Text Cards** written at four distinct reading levels, 60 cards total in print and digital formats
- ▶ **Digital resources** including teacher resource materials, primary source images, interactive activities, and text cards
- ▶ **Lessons and Culminating Activity**
- ▶ **Tiered Graphic Organizers**
- ▶ **Assessment Tools**
- ▶ **Audio recordings** of thematic raps and leveled texts

Students will determine the main idea of a text and how it is supported by key details with these kits.

# PRIMARY SOURCES

over  
50  
topics

Provide your students with a deeper and more comprehensive view of historical events through maps, letters, photographs, political cartoons, and more!

Primary Sources are a FUN way to enhance your social studies instruction. Use the authentically recreated documents and photo cards to teach about historical people, places, and events.

- Save time with easy-to-follow lessons.
- Practice document-based question skills and integrate with bonus activities.

## Each kit includes:

- Up to 8 Photo Cards
- Up to 8 Primary Source Documents
- Teacher's Guide featuring document-based assessments
- Digital resources including bonus primary sources and photographs

Highlighted kits are included in the NYC Division of Teaching and Learning Social Studies Core Curriculum.

# SCIENCE READERS

## Grades K–8

Guided Reading Levels A–U

Lexile® BR–860

Interest levels K–12

Integrate science into reading instruction with content-rich books that feature hands-on lab activities.

Choose from kits that are organized by:

- Grade levels
  - Key science topics
  - Key strands of science
- See pages 123–134.

### Kits include:

- Books**— 6–16 titles, 6 copies each in print and digital format. Books range from 24–32 pages.
- Digital resources** including Interactiv-eBooks (see page 122 for titles), audio recordings of each book to support English language learners, digital activities and assessment tools, and videos.
- Teacher's Guide** with lessons and assessments.

### Leveled Readers

Provide students with **multiple informational texts** around common themes to build conceptual knowledge.

### Lessons

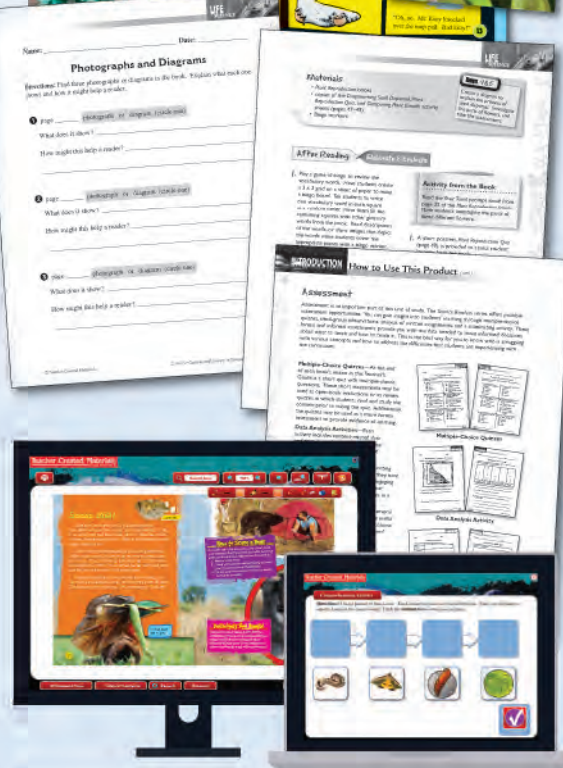

Each book has an accompanying **teacher-guided lesson** that addresses both **reading** and **science objectives**.

### Assessments

**Multiple assessment types** help guide instruction.

### Digital Resources

Ebooks with a variety of interactivity and digital resources guide students toward **independent reading** while more deeply **exploring key topics** in fun and interactive ways.

Books and lessons cover the key strands of science.

### TOPIC: Life Science • Each 6-Pack includes a Lesson Plan.

**Living!**  
GR Level A  
9781480745414

**Baby Animals**  
GR Level A  
9781480745421

**Seeds**  
GR Level D  
9781480745438

**What Do Living Things Need?**  
GR Level B  
9781480745445

**Growing Up**  
GR Level A  
9781480745452

### Each kit includes:

- **Books**—16 titles, 6 copies each, 24 pages per book in print and digital formats
- **Teacher's Guide**
- **Digital resources** including Interactiv-eBooks, audio recordings of each book, digital version of each book, and student activity sheets

### TOPIC: Physical Science • Each 6-Pack includes a Lesson Plan.

**I Spy**  
GR Level B  
9781480745469

**Tell Me About It**  
GR Level A  
9781480745476

**Solid or Liquid?**  
GR Level A  
9781480745483

**Nature Made**  
GR Level C  
9781480745490

**Here Comes the Sun**  
GR Level A  
9781480745506

### Scientific Practices Book

**Sort It!**  
GR Level A  
9781480745568

This book describes how to think like a scientist and study the natural world.

### TOPIC: Earth and Space Science • Each 6-Pack includes a Lesson Plan.

**What Is the Weather?**  
GR Level A  
9781480745513

**Changing Weather**  
GR Level A  
9781480745520

**On Land**  
GR Level A  
9781480745537

**On Water**  
GR Level A  
9781480745544

**Too Much Trash!**  
GR Level A  
9781480745551

### Kindergarten

# SCIENCE READERS

## Grade 1

Guided Reading Levels D–M  
Lexile® 210L–560L  
Interest Levels K–3

### Each kit includes:

- Books—16 titles, 6 copies each, 24 pages per book in print and digital formats
- Teacher's Guide
- Digital resources including Interactiv-eBooks, audio recordings of each book, digital version of each book, and student activity sheets

### Scientific Practices Book

Science Detectives  
GR Level H  
9781480745957

Students will discover the natural world and think scientifically.

Interactiv-eBooks engage students and support teachers through video, audio, drawing, and annotation functions.

### TOPIC: Life Science • Each 6-Pack includes a Lesson Plan.

Inside a Plant  
GR Level H  
9781480745810

What Makes a Plant?  
GR Level K  
9781480745803

Raising Babies:  
What Animal Parents Do  
GR Level I  
9781480745827

Growth and Change  
GR Level F  
9781480745834

All in the Family  
GR Level I  
9781480745841

### TOPIC: Physical Science • Each 6-Pack includes a Lesson Plan.

How Sound Moves  
GR Level M  
9781480745858

Message Received!  
GR Level K  
9781480745865

Light Makes a Rainbow  
GR Level H  
9781480745872

How Heat Moves  
GR Level G  
9781480745896

Shadows  
GR Level D  
9781480745889

### TOPIC: Earth and Space Science • Each 6-Pack includes a Lesson Plan.

The Seasons  
GR Level F  
9781480745902

Our Sun  
GR Level G  
9781480745919

Earth and Moon  
GR Level K  
9781480745926

Paired leveled readers offer both on- and below-level text focused on the same scientific concept.

# Discovering SCIENCE through INQUIRY

## Life, Physical, and Earth and Space Science Topics

Suggested Grades 4–8

Discover science through inquiry-based exploration!

Encourage investigation and advance understanding of science topics in meaningful and engaging ways. Each *Discovering Science through Inquiry* kit provides a complete inquiry model for a key science concept, thorough background information, differentiated student materials, and guided instruction for teachers.

Inquiry Card

### Inquiry Handbook Activity

Lesson 1  
Name: \_\_\_\_\_ Date: \_\_\_\_\_

#### What Are Cells?

**What Are Cells? Vocabulary**  
Directions: Write the vocabulary word or phrase in the correct sentence. Choose words from the Word Box.

**Word Box**  
cell organ organelle tissue

- Some cells have special compartments called \_\_\_\_\_ (s).
- All \_\_\_\_\_ is the basic unit of life.
- The brain is an example of an \_\_\_\_\_.
- Some groups of cells work together and are part of an \_\_\_\_\_.

Directions: Illustrate each vocabulary word in the spaces provided below.

cell	organ
organelle	tissue

### Each kit includes:

- ▶ **16 Inquiry Cards** in print and digital formats
- ▶ **Teacher's Guide**
- ▶ **Inquiry Handbook**  
(Each kit includes a single copy; additional copies can be ordered.)
- ▶ **Digital resources**
  - ✓ Digital versions of activities and additional teacher resources, including images and assessment tools
  - ✓ Leveled background pages for students
  - ✓ Video clips

Exciting video clips aid in the introduction of challenging science concepts and encourage discussion.

Each kit follows the 5E model of instruction.

Engage	Explore	Explain	Elaborate	Evaluate
Engage students with exciting demonstrations and video clips.	Allow students to explore scientific concepts with hands-on activities and experiments.	Help students understand scientific concepts by using graphic organizers, vocabulary-development activities, and differentiated background information.	Provide rich extension opportunities using colorful inquiry cards, discussion questions, and writing activities.	Monitor student progress with provided assessments, and allow students to reflect on their learning by using science journal pages.

# Professional Development

Our professional development is customized for the needs of New York City educators, and embeds best practices with hands-on application. Sessions are designed to give participants opportunities to immediately utilize newly-learned skills and strategies in classroom instruction.

Teacher Created Materials has developed 90-minute workshops specifically for New York City educators. Each session is jam-packed with targeted information to support professional learning goals, keeping educators on the path to success. See pages 137–139 for topics and session details.

Contact us today to schedule your next professional development session!

"The teachers were extremely satisfied with the professional development workshop, and rated it as one of the best and most beneficial that our school has ever had. Because of your expertise, we have excellent, teacher-friendly instructional resources that the teachers are using, and the professional development workshop was most memorable."

## Professional Development

# Professional Development

## Creating Confident Readers

Discover the importance of guided reading instruction and how this approach will help you develop strong, independent readers.

Each 90-minute session will help new and veteran teachers alike utilize simple techniques and concrete **strategies to implement the Balanced Literacy model**. Attendees will also learn how they can makeover their reading routine with fun activities that will engage even the most reluctant readers, bringing the joy of reading with classroom-tested activities that build confidence with struggling readers.

Professional Development

Contact us today to schedule your session! Sharzer Associates, Inc.   212-222-5721   info@sharzer.com	

### Each attendee will receive:

- ▶ Anchor professional resource and accompanying handouts
- ▶ *TIME FOR KIDS® Nonfiction Readers* 6-pack with lesson plan
- ▶ Teacher Created Materials handy bag

## Engaging Your Youngest Students

Learn how to help your youngest students build phonological awareness and early reading skills across key content areas.

During this 90-minute session, educators will learn how to provide engaging, developmentally appropriate learning experiences. Educators will also learn how to incorporate cross-curricular connections that allow the youngest learners to make connections from what they are learning to their everyday lives.

Professional Development

PROFESSIONAL DEVELOPMENT

# Professional Development

## Helping Students Master and Enjoy Writing

Learn how to develop skilled and enthusiastic writers, and move students from writing sentences to writing paragraphs and essays smoothly with step-by-step strategies that yield results.

During this 90-minute session, educators will cover a variety of writing topics, including setting up a Writer's Workshop in the classroom, teaching the 5-step writing process, implementing the traits of effective writing, and connecting writing to close reading, reporting, and thinking.

### Each attendee will receive:

- ▶ Anchor professional resource and accompanying handouts
- ▶ *TIME FOR KIDS® Nonfiction Readers* 6-pack with lesson plan
- ▶ Teacher Created Materials handy bag

# Professional Development

## Enhancing your ELL Instruction

Accelerate both content and language learning for English language learners while meeting their diverse needs.

This 90-minute session will help educators bridge the gap between content and language and put research into practice to **instruct English language learners**. Educators will learn specific strategies that meet the needs of these students in language development and literacy.

### Professional Development

## Engaging all Learners

Learn multiple strategies to differentiate instruction and teach comprehension for all learners.

This 90-minute session was designed to help educators transform their classroom into a creative and active learning environment. Educators will apply research-based strategies that activate prior knowledge, improve decision-making and critical thinking skills, and improve important student discussions.

### Each attendee will receive:

- ▶ Anchor professional resource and accompanying handouts
- ▶ *Primary Source Readers* 6-pack with lesson plan
- ▶ Teacher Created Materials handy bag
