

Read! Explore! Imaging Fiction Readers

In our effort to develop lifelong readers and learners, Teacher Created Materials has teamed with Renaissance Learning to provide teachers and librarians with support to enable the personalization of whole group and guided reading practice. With the ATOS readability formula, a verified measure of quantitative text complexity for the Common Core State Standards, teachers are able to provide students with the appropriate readability levels necessary to promote success. In addition, Accelerated Reader quizzes help measure student achievement in reading and math.
