Answer Key	32

We make a list of school subjects.
We vote on our favorite ones.

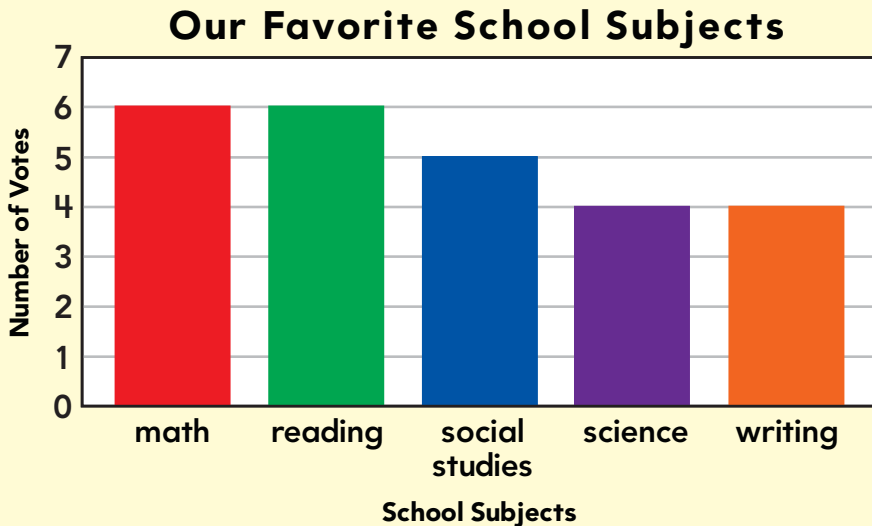

Our Favorite School Subjects	
math	6
reading	6
social studies	5
science	4
writing	4

It is hard to choose a favorite.
The votes are very close.

LET'S EXPLORE MATH

Look at the bar graph. Answer the questions.

- Two subjects are equal. They are tied for the most favorite. What are they?
- Two other subjects are equal. They are tied for the least favorite. What are they?
- How many more people voted for math than voted for science?
