Resources to Help Every Classroom
These new resources have been developed by our team of expert educators for teachers worldwide. To support teacher and student success in the classroom, our materials are research and standards based. We strive to equip teachers with tools to learn how to integrate complexity and creative-thinking strategies into their curriculums, helping students prepare for college and career readiness.

LEARNING STYLES

Strategies for Culturally and Linguistically Responsive Teaching and Learning

by Sharroky Hollie

Provide teachers with concrete strategies to support instruction for students with culturally and linguistically diverse backgrounds.

• Incorporate effective tools for educating students of diverse backgrounds.

• Examine all aspects of teaching practices with the goal of successfully educating all students to the expectation of today’s standards.

• Build an understanding of the significance of teaching practices, classroom environment, and assignments to increasingly diverse student populations.

SNP51462 | $99.99 | Available Spring 2015

Culturally and Linguistically Responsive Teaching and Learning

by Sharroky Hollie

Help teachers better support culturally and linguistically diverse students, meeting them where they are and providing rich opportunities for success.

SNP50686 | $24.99
**Leveled Text-Dependent Question Stems**

by Debra Housel

Written at a variety of grade level ranges, these text-dependent question stems allow teachers to differentiate content so all students can access and understand the concepts explored. Includes over 450 ready-to-use stems organized by comprehension skill.

SNP51475 | $19.99

**Connect to Text: Strategies for Close Reading and Writing**

by Jessica Hathaway

This resource supports teachers and students as they closely analyze text to improve reading comprehension and writing. Teachers will also learn how to effectively use close reading to help students learn the vital skill of finding and citing evidence from the text passages to write from sources.

SNP51505 | $39.99 | Available Spring 2015
Build students’ literacy skills with up-to-date guides for the exploration of rich, complex literature.

- Includes exemplars from the standards, Newbery Medal award-winning titles, classic literature, and popular authors
- Encourages readers to analyze story elements in multiple ways
- Develops comprehension skills through close-reading tasks, text-dependent questions, and cross-curricular activities
- Boosts vocabulary development and writing skills with text-based vocabulary practice and reader-response writing prompts

Close Reading with Paired Texts

Grades K–5
by Lori Oczkus and Timothy Rasinski

Strengthen students’ fluency and reading comprehension skills by teaching them close reading strategies. With pencils, highlighters, or crayons in hand, students will read and analyze various types of texts to get the most out of the rich content. This easy-to-use resource encompasses reciprocal teaching strategies, text sets, text-dependent questions, and activities to build each student’s vocabulary, reading fluency, writing skills, and comprehension skills.

$19.99 each

WRITING

Writing is Magic, Or Is It?

All Grades
by Mary McMackin and Jennifer Bogard

Support students’ writing by helping them integrate strategies from mentor texts.

• Dive deeply into multiple genres: narrative fiction, narrative nonfiction, opinion/argument, and informative/explanatory.

• Each chapter includes mentor texts that align to each genre and support students’ understanding of the texts and the strategies that the authors use to convey their messages.

SNP51482 | $39.99 | Available Spring 2015

SOCIAL STUDIES

Understanding Elections: What’s Your Vote?

Grades K–5

Enhance history and civics programs by introducing and exploring elections. These books feature rich primary sources and promote critical-thinking skills. The lessons provide interactive opportunities through discussions, simulations, and extension activities.

Educators need ongoing and effective professional development now more than ever. Teacher Created Materials and Shell Education have a combined 30 years of experience in training teachers and providing them with the professional books they need to help them sustain and apply what they learn.

We have an extensive list of training topics and flexible delivery options available. Or we will work with you to design a custom professional development plan for your school or district. For a list of our topics and background on our presenters, please visit us at www.tcmpub.com/professionaldevelopment or call us at 800-858-7339.

### Delivery Options

**Onsite Professional Development**
- Workshops
- Product In-Service

**Ongoing Coaching**
Our ongoing coaching support is targeted to specific professional learning goals and designed to keep educators on the path to success.

**Keynote Speaker**
Motivate and energize your staff with powerful presentations supported by key professional resources from our well-known authors and experts.

**Webinars**
Our most cost-effective and flexible option, webinars are a great tool to sustain learning and are especially beneficial for schools struggling to get staff together.
