Bridge the Gap to Help Students Grow

Florida Summer Program

Grade 3

Provide your students with the tools they need for academic success that lasts all year! This comprehensive intervention program will guide all summer learners to become strong, independent readers and confident test takers.

Students will:

- Master essential reading strategies
- Integrate and apply strategies to comprehend complex text
- Make connections across content areas and genres
- Actively engage with purposeful technology
- **Prepare for SAT-10 testing**

"I observed my students transferring the skills and strategies from the program into other texts."
