Exploring Social Studies Florida

Florida Social Studies Launch Training

These professional development sessions were designed to support the effective and immediate implementation of your *Exploring Social Studies: Florida* curriculum materials. Staying true to the idea that we all "learn by doing," teachers will actively engage with the resources in order to fully understand what *Exploring Social Studies: Florida* offers and how the resources in the program can be used in an instructional setting. Teachers will walk away from these trainings with a deep understanding of the content materials offered at their grade level. They will learn how to integrate them into current classroom instruction while meeting social studies standards with the best practices and practical strategies that will make *Exploring Social Studies: Florida* most effective for student learning.

The professional learning objectives for the sessions ask teachers to:

- Clarify why teachers and students will benefit from teaching and learning with *Exploring Social Studies: Florida*.
- Identify the key components of *Exploring Social Studies: Florida*.
- Learn how *Exploring Social Studies: Florida* is a tool for engaging, standards-based instruction through active learning.
- Discover how to align *Exploring Social Studies: Florida* content resources at each grade level.
- Examine *Exploring Social Studies: Florida* lesson plans and other support materials.
