

**Virtual Workshop for
Let's Learn! Backpacks
Learning Reflection Guide**

#1  **STOP AND DO**

Set a timer for 2 minutes.

Look at the literacy activities across any of the units. Write down as many different literacy skills as you can find within the activities before time runs out.

#2  **STOP AND DO**

Think about the 5 SEL Competencies: (from CASEL)

- self-awareness
- self-management
- social awareness
- relationship skills
- responsible decision-making

Evaluate 2 different mindfulness activities and list the competencies that students are practicing.

Learning Reflection Guide**

#3 **STOP AND DO**

Skim through the included readers. Select 3 different text features that you think students will get excited about.

Write down the type of text feature and describe why you think students will find it engaging.

Text Feature	Why Students Will Like It

#4 **STOP AND DO**

Look at pages 22–24 of the Teacher/Parent Notes Guide.

Read through the suggestions for the instructional setting you are in right now (in-person, virtual, etc.). Write down the ideas that most resonate with you or other ideas you have for using these materials in your instructional setting.
