On Monday, Miss Clover had a surprise  
for everyone. She had made  
**a Space Station.**

There were **buttons** to **push**.  
There were **levers** to **pull**.  
There were boots and a helmet  
to wear, too!

Only three children could play at a time.  
But **everyone** wanted a turn!

Then Miss Clover had a good idea.  
She put everyone's name in a hat.

Can you tell the story of what happens when these two space creatures find a toy they don't want to share?

How do you think they felt when they didn't share the toy? How did they feel at the end?
